July 23, '08 submission is fine. 10 page limit is preferred.
SO ORDERED Date: 7/16/08
<i>Richard M. Berman</i> Richard M. Berman, U.S.D.J.

Dear Judge Berman:

This office represents plaintiff Mark Kapiti in the referenced civil rights action.

Pursuant to an endorsed letter by the Court extending defendants' time to file their responding papers to plaintiff's motion, plaintiff's reply papers were made returnable today. As the Court is aware, defendants' response papers far exceeded the Court's page limitations. Therefore, it has been difficult for plaintiff to respond to what amounts to be a 50 page reply memorandum with a lot of new material within the Court's 10 page limitation for reply papers. As plaintiff endeavors to comply with the Court's rules, and with vacation schedules playing games with Court conferences and submission dates, we respectfully request an extension until July 23 to submit our reply. Of course, we will attempt to stay within the 10 page limitation. However, in the event that such an attempt becomes impossible, we also herein request an extension of the page limitation for our reply papers.

Thank you for your courtesies in the matter.

Respectfully submitted,

Steven L. Kessler
